

RESOLUTION

WHEREAS, any official position of the City of Los Angeles, with respect to legislation, rules, regulations or policies proposed to or pending before a local, state, or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council with the concurrence of the Mayor; and

WHEREAS, in recent years the City of Los Angeles has been one of California's leaders in pursuing progressive animal welfare policies and practices; and

WHEREAS, it is estimated that 10 to 20 million dogs in China, 5 million dogs in Vietnam, and one million dogs each in South Korea, Indonesia, and Cambodia are killed for food each year; and

WHEREAS, dogs in these countries are kept in cramped, rusty cages stacked on top of each other, and slaughtered in brutal ways such as hanging or electrocution, due to an erroneous belief that high adrenaline levels will produce tender meat and increase the supposed health benefits of consuming dog; and

WHEREAS, the governments of some of these countries have passed laws regarding dog meat and animal cruelty: in China, the Food Safety Law of the People's Republic of China, and in South Korea, the Animal Protection Act; and

WHEREAS, despite laws regulating the sale of dog meat in these countries, dog farms continue to operate in brazen disregard of any established standards of animal cruelty, and continue to raise and slaughter dogs in inhumane ways;

NOW, THEREFORE BE IT RESOLVED, with the concurrence of the Mayor, that by the adoption of this Resolution, the City of Los Angeles hereby includes into its 2019-2020 Federal Legislative Program SUPPORT for legislation or administrative action that would request the governments of China, Vietnam, South Korea, Cambodia, and Indonesia to ban the sale of dog meat and to enforce their animal cruelty laws.

Re: South Korean Dog Meat Trade

Dear Councilmember Blumenfield:

As you know, the Valley Alliance of Neighborhood Councils (VANC) consists of representatives of all 34 Neighborhood Councils in the San Fernando Valley, including Neighborhood Councils in your district. At its monthly meeting on August 9, 2018, VANC passed a resolution regarding the following:

Approximately one to two million dogs are killed for food every year in South Korea. Prior to their deaths, these dogs endure a lifetime of abuse and are often slaughtered in a completely inhumane and brutal manner. As stated by the Animal Welfare Institute: “From birth to slaughter, these dogs are kept in cramped, rusty cages stacked on top of each other. The method of slaughter is usually extremely (and even intentionally) brutal, and the dogs are often butchered in full view of the others.”

“Most horrifically—due to a traditional belief that high adrenaline levels will produce tender meat and increase the supposed health benefits—dogs who are killed may be intentionally subjected to extreme fear and suffering and be killed via bludgeoning, hanging, or electrocution. At the open-air markets, dogs are often electrocuted and their necks are broken—all in plain sight to passers-by and the other dogs.” Additional information regarding the South Korean Dog Meat Trade is attached.

The United States is spending billions of dollars, and our military personnel are putting their lives on the line, to assist our ally South Korea in deterring invasion or nuclear attack from the North. Tens of thousands of Americans died in the Korean War, and tens of thousands were wounded, protecting South Korea. Dogs serve in our armed forces and alongside our First Responders. Dogs are instrumental in working with returning Veterans with PTSD. We respectfully request that our ally South Korea stop killing and torturing dogs, a practice which is abhorrent to the vast majority of Americans.

Therefore, at its regular public monthly meeting on August 9, 2018, the Valley Alliance of Neighborhood Councils passed a Resolution requesting that you and the other San Fernando Valley Councilmembers introduce a motion in the Los Angeles City Council opposing the South Korean dog meat trade and asking the South Korean government to ban the dog meat trade and enforce South Korea’s animal cruelty laws.
